**Associate & Senior  
Associate Positions  
Available**

Established in 1992 and located in Water Mill, NY, the LaGuardia Design Group is a 14-person landscape architecture firm specializing in commercial, resort, and high-end residential design.

The firm's original and effective design solutions have been implemented throughout the United States and Asia and recognized in numerous publications.

In 2013, LDG received the American Society of Landscape Architect's award of excellence in residential design, the highest national award in the profession.

Typical associate

responsibilities include drafting, 3D modeling, preparing design presentation packages, administering project budgets, preparing bid and construction sets and interacting with clients and other allied professionals.

These are full time salaried positions including healthcare and retirement packages. Salary is commensurate with experience.
